IN MEMORY . . .

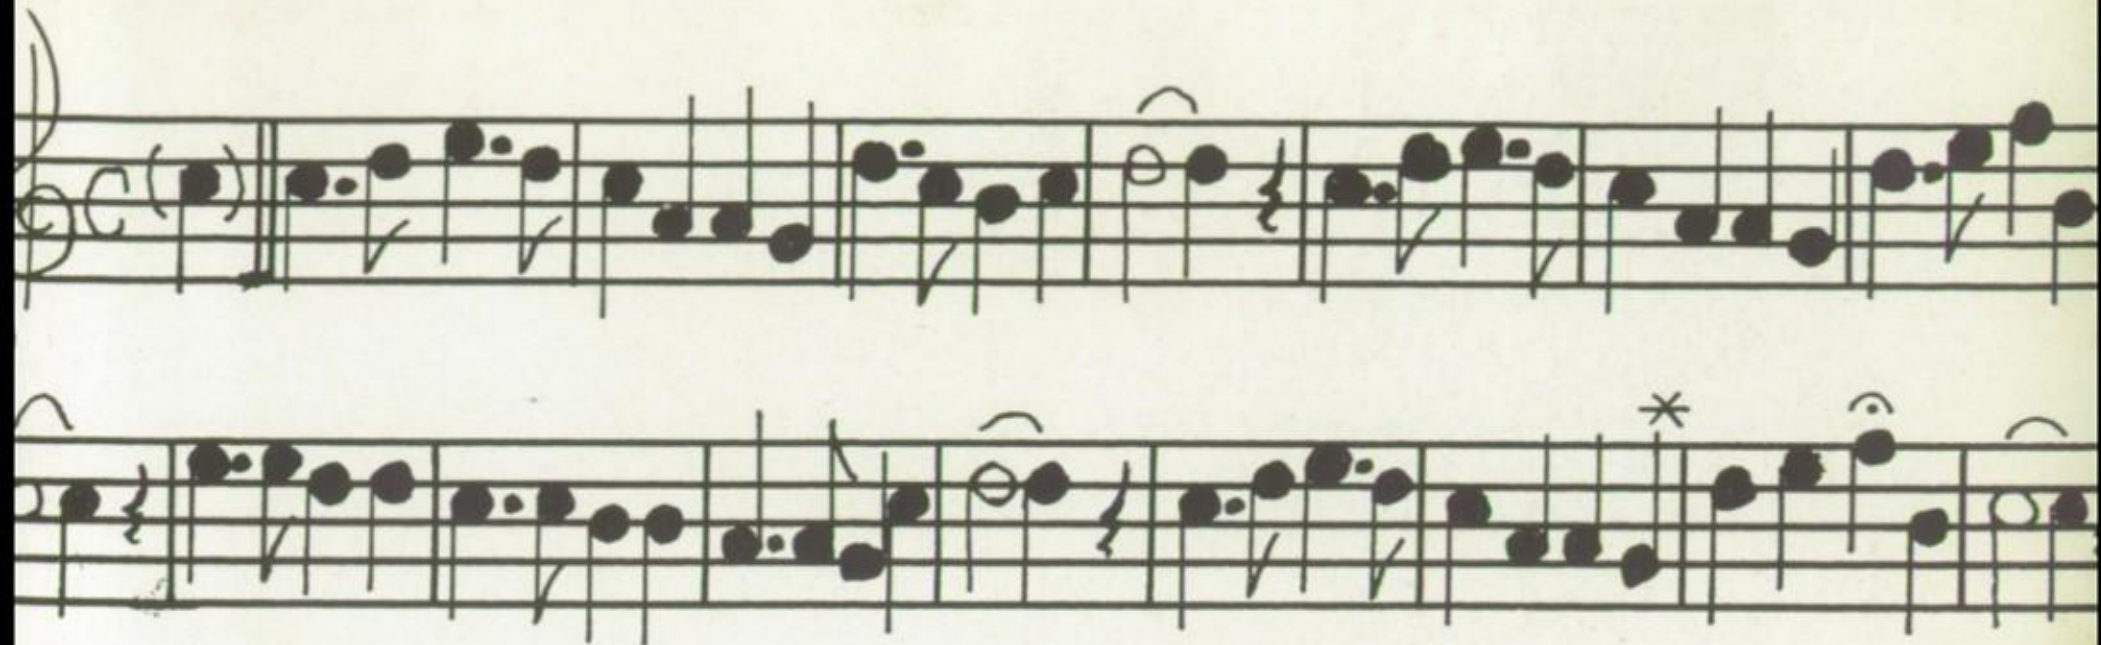

BILL RIEHL
Class of 1956

It is never quite possible to put into words all the good things which represent a person when he is with us; it is even more difficult when he is gone.

We are not great orators nor authors. We cannot express our true sorrow at his loss. We can, however, erect a memorium which will remain in the hearts of Bill's many classmates and friends forever.

Warm hearted, sincere, friendly, and dependable are just a few of Bill's many good qualities for which he will always be remembered. His many services and deeds to his fellow man will not be forgotten.

We cannot say that Bill has left us, for his memory will always remain in the heart and halls of North Canton High School.

ALMA MATER

*Our strong band can ne'er be broken,
Formed in N. C. High;
Far surpassing wealth unspoken,
Sealed in friendship's tie.*

*High school life at best is passing,
Gliding swiftly by;
Then let us pledge in word and deed,
Our love for N. C. High.*

*Alma Mater, Alma Mater,
Deep graven on each heart,
Shall be found unwav'ring true
When we from life shall part.*

IN APPRECIATION

MISS
DEPODESTA

The Class of 1954 wishes to express its sincere gratitude and appreciation to Miss DePodesta.

Through our Junior and Senior years Miss DePodesta has advised us, standing by us in all our ventures, whether they were successes or failures.

To you, Miss De, we can never express our deep thanks for all your wonderful guidance. We will think of you many times and hope that you will ever remember us, the Class of '54.

FOREWORD

The purpose of this year's edition of the "Viking" has been to portray the high school year with originality and accuracy. This has been attempted by the use of many original photographs. By using photography as our theme, we hope that this will give you a look at our school as a whole, and take you through the well-treaded halls of beloved No-Ca-Hi.

The book is divided into five sections with faculty and administration coming first; activities, sports, classes, and members of the graduating class following. An index of the 1954 class can be found at the end of the book.

It is hoped that this more original treatment will prove not only interesting and entertaining, but will provide a lasting record of No-Ca-Hi and the Class of '54.

In presenting this book to you, we hope that we have immortalized, in some small way, the happenings and tender thoughts of four years spent and enjoyed at our dear old "Alma Mater."

VIKING STAFF

The story of this year's "Viking" is typical of the clamor and confusion resulting from the attempts to put together an account of the year's activities.

The staff was picked in October and in that moment the "Viking" was born. In looking over the year we see the hectic days on which pictures were taken, the trips to the engraver, and many unforeseen circumstances which caused us to add a page here or cancel one there. We also see the frenzied rush of the staff to meet its deadline. Little by little, a definite shape evolved from the mass of pictures and papers. Soon, we see the bottom of a seemingly endless stack of papers miraculously become a completed yearbook.

Also we must remember the fact that this yearbook could not have been published without the necessary help of the business staff. The financial end of the "Viking" rests completely on their shoulders. This year's staff did a wonderful job, for which they deserve much praise and many thanks!

To the No-Ca-Hi student, a yearbook may be a tangible recollection of school life. To a student from another school, it may provide the basis for comparison and rivalry between yearbooks. To its staff members, the 1954 "Viking" represents many hours of hard work and fun which went into its publication. The valuable experience gained by the staff will linger on for them long after the '54 "Viking" has been forgotten.

SUPERINTENDENT OF
SCHOOLS

RAYMOND E. TRACHSEL

COLLEGE OF WOOSTER

B.S. in Education, Kent State University

M.S., Ohio State University

DEDICATION

At the close of the 1953-54 school year, Mr. Raymond E. Trachsel will be retiring from a sixteen-year position as the Superintendent of North Canton Public Schools. Since the day in September, 1938, when Superintendent Trachsel came to North Canton, he has ably served the school and community.

The start of this man's extensive teaching career, when he was only eighteen years of age, began in a one-room rural school of eight grades in Tuscarawas County. Three years later, while serving as principal of Midvale Schools, he initiated the first high school at Midvale. From here Mr. Trachsel moved on to Minerva High School, where he not only taught but also coached the football, basketball, and baseball teams.

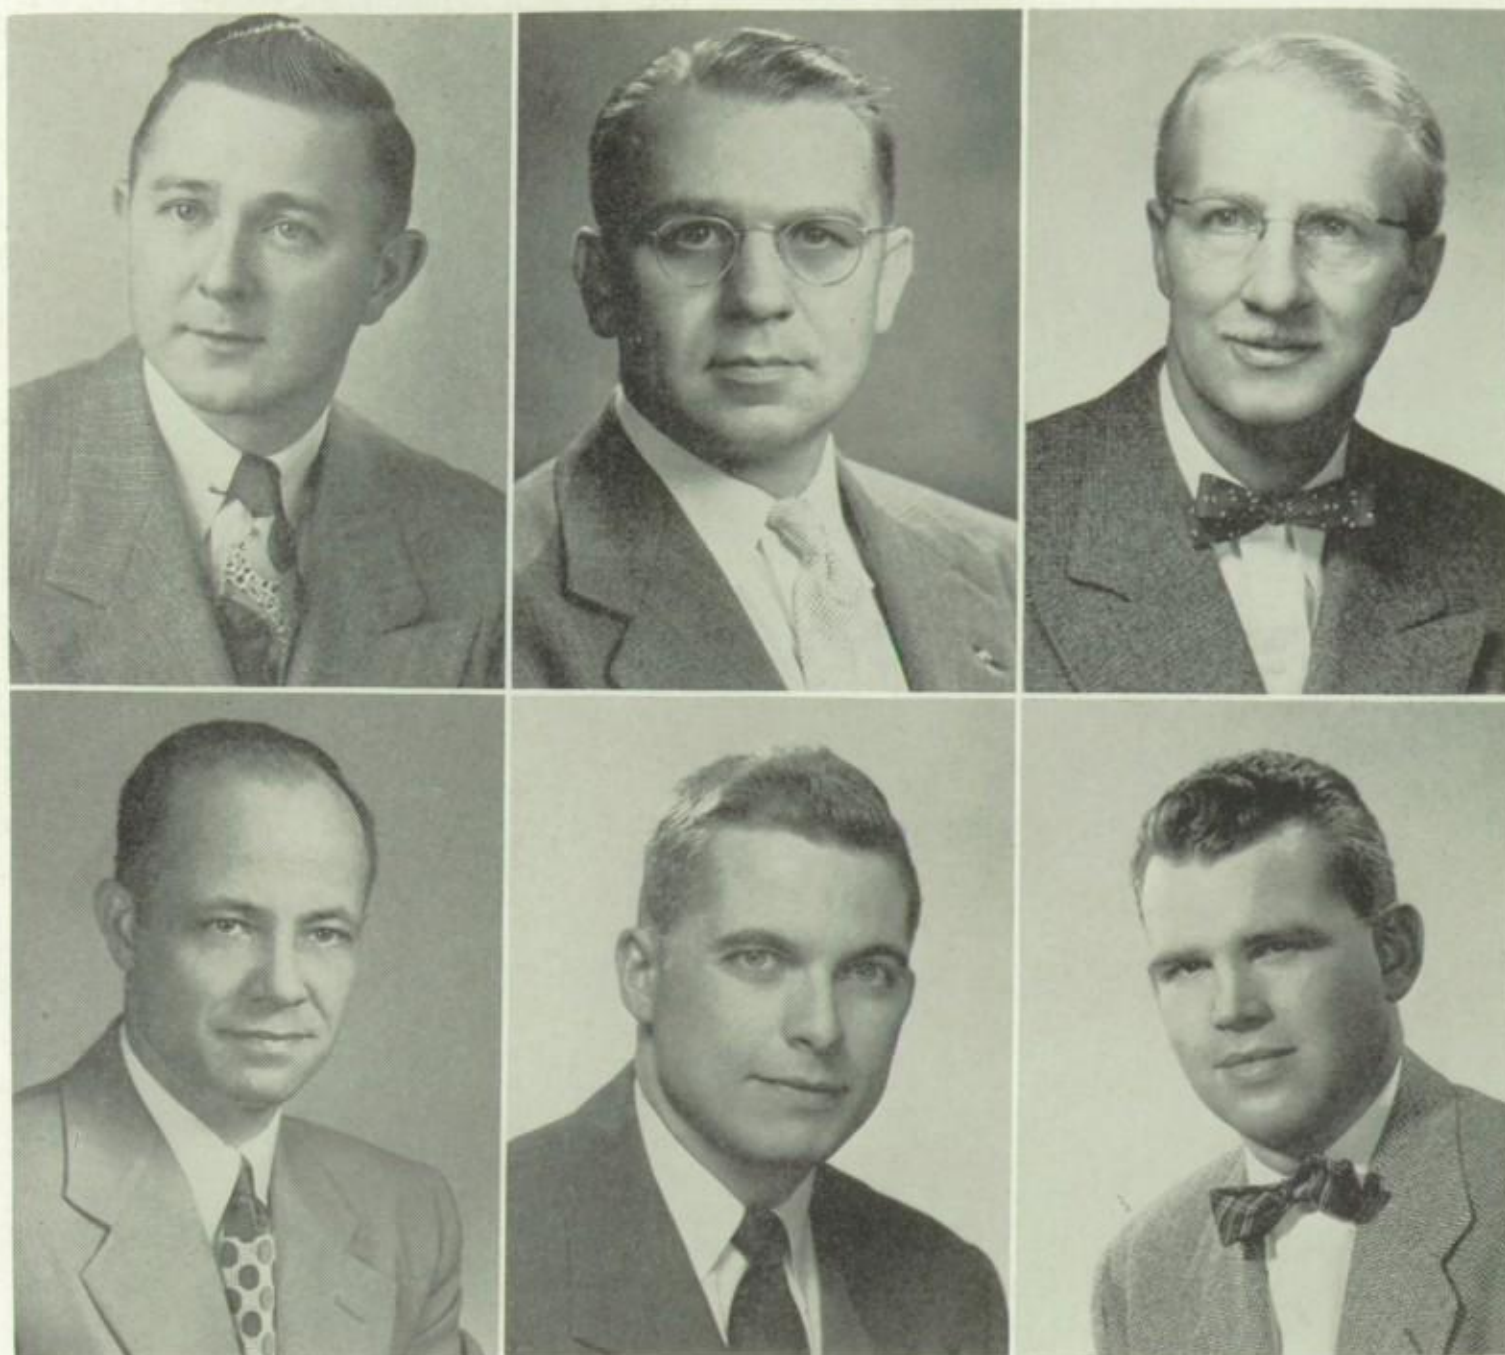

Having spent six years with Minerva High School, Mr. Trachsel returned to Kent State University for one full school year to complete his academic work for a B.A. degree. The first three years of work toward his B.A. degree were earned entirely by attending sessions of summer school, and by teaching during the winter. His Master's degree was later secured at Ohio State University.

On completion of his studies at Kent, Mr. Trachsel became a critic teacher in the Kent State Training School for Teachers. Prior to coming to North Canton, he served the Canal Fulton Schools as superintendent for eleven years.

With emphasis on citizenship, scholarship, and character building, he contributed sincere professional guidance toward the growth of North Canton graduates. Through his tireless devotion to these ends, he instills in his teaching staff a spirit of cooperation and inspiration. Mr. Trachsel is an ardent builder and promoter of the exempted village schools of Ohio, and he has consistently encouraged legislation in their behalf. In the future, Mr. Trachsel plans to continue his interest and participation in North Canton's school system and civic organizations.

In dedicating this 1954 VIKING to Raymond E. Trachsel, we salute the friend of all students and a truly great figure in our community.

DEBATE TEAM

One of the most worthwhile activities in North Canton High School is debate. The debaters spend a good deal of their time from November through March preparing cases and participating in debate tournaments all over Ohio. The question for debate this year was on the method to be used in electing our President. Besides the Varsity and "B" debate teams, there were several excellent Freshman and Sophomore debate teams. The Varsity team this year was composed of Carol Kitzmiller, Paul Dolan, John Norris, and Roy Newell, who placed second in the state tournament at Columbus.

NATIONAL FORENSIC LEAGUE

The National Forensic League is a national organization made up of speech students. To be a member of this organization requires an active participation in speech activities and a good scholastic record. The "tongue-waggers" in the N. F. L. receive their points for debate, service speeches, and individual events. These points go toward degrees which the student receives when he has 20, 50, 100, and 200 points, and towards a scholarship at Ripon College in Wisconsin. The officers of this organization are Linda Swann, president; John Norris, vice president; June Harpold, secretary; Carol Kitzmiller, treasurer; and Paul Dolan, publicity manager.

In April almost everybody takes an examination in an attempt to get a place on the scholarship team. The two highest people in each subject are chosen for this honor. Then, in early May, these students make a trip to Akron to compete in the final district-state scholarship tests. These people in the picture who placed on the scholarship team last year, along with those who placed this year, deserve a lot of credit for the fine efforts they put forth.

NATIONAL HONOR SOCIETY

Character, Scholarship, Leadership, and Service are the four standards upon which membership in the National Honor Society is based.

This society was established to give due attention to those deserving students who possess the qualities necessary for good citizenship in the years that are yet ahead of us. These qualities are most often determined by participating in school and community projects, by co-operation with schoolmates and advisers, and by a genuine interest in academic pursuits.

Each year a committee of faculty members chooses the new members, who must have a scholastic average of 85 or above.

This year the society admitted nine new members in an inspiring ceremony. An added attraction was the guest speaker, Dr. Eibling, whose enlightening message was warmly received.

This organization is responsible for the operation of the monitor system.

MONITORS

The National Honor Society chooses three students and an alternate for each period. They select the monitors on the basis of their capability and dependability, to maintain order in the halls. The monitor stationed at the center of the first floor hall acts as the receptionist to help visitors.

LIBRARY STAFF

The library is under the full-time guidance of Mrs. Hammack, who selects twenty-five student-librarians to assist her in the work of the library.

It is the chief aim of the library to present an efficient service to the student body and faculty by providing for authoritative, factual, and leisure reading.

The Commercial Club's chief aim is to present the business world to these students through their classes and club activities. The Commercial Club is under the able supervision of Mrs. Aldridge and Mr. Beuck.

JUNIOR RED CROSS

The Junior Red Cross in our school is constantly mindful of its motto: "Service for Others." The North Canton Chapter sends representatives to the monthly meetings of the Canton Council. This year our Junior Red Cross is packing a giant gift box in conjunction with all the schools in the Canton area. With Mrs. Oswald as our competent adviser, we hope that we may fulfill our purpose of sharing with others and giving them help when they need it.

SCIENCE CLUB

Newly organized this year, the Science Club was very active. Among other projects, they experimented with white mice and their living habits. This, to say the least, created quite an atmosphere. The death and burial of one of the mice also added an air of interest to the rooms surrounding the Science laboratory. Their other experiments proved very interesting and valuable to the members. Mr. LaHue and Mr. Dobson advise the club.

JUNIOR PLAY

Something new and different! That describes the Junior Play presented on the supposedly unlucky night of Friday the 13th of November. The play, the first dramatic performance of the year, was appropriately entitled "Curtain Going Up," a comedy in three acts by Gregory Johnston.

The new and different aspects included such novelties as little scenery, entrances and exits through the auditorium, a play within a play, and an open curtain while the audience assembled. In addition, the comic lines, the true-to-life characters, and the lively action all combined to make the production an outstanding one that both the audience and the cast will long remember.

The plot concerns what takes place behind the scenes during the rehearsals, and after the presentation of a play in Riverview High School. Miss Burgess, the young director, is faced with the following obstacles in producing her first play: a grouchy old janitor, the disappearance of the playbooks at the first meeting of the cast, crossed-up high school romances with a capital R, a stage-struck heroine, her jealous boyfriend, an unexpected visit by a professional actress, a banker's daughter driven to theft and dirty tricks by her father's ambitions, and last but not least, romance for Miss Burgess herself. In fact, almost anything that can happen does happen.

MARCHING BAND

Once again our Viking Marching Band has stepped out with flying colors. The lively pace and vigorous spirit of the Black and Orange bandsmen make it one of the school's most popular institutions.

Under the direction of Mr. Wheeler, new to our school this year, the band has performed very ably at all the football games. Their skits at half-time, to the strains of "If You Knew Susie" and "Mr. Touchdown, U. S. A." were always received with enthusiasm.

CONCERT BAND

The Concert Band of '53-'54 was made up of eighty members. This group was responsible for those sweet strains which issued daily during eighth period from the bandroom. The group is under the capable direction of Mr. Wheeler.

This year, the band gave its annual Spring Concert and once again it entered the spring contest, giving a commendable performance.

ORCHESTRA

Few schools of our size can boast an organization of this calibre. This group will be remembered in years to come for having presented to North Cantonians some of the more classical compositions.

The orchestra can be found in the bandroom first period every Monday, Wednesday and Friday, polishing up their latest arrangements. The group of forty-six members is directed by Mr. Wheeler.

For the Christmas concert, the orchestra played several selections and then combined with the choruses to perform "Spirit of Christmas." The group also entertained North Cantonians at a spring concert and played for Baccalaureate and Commencement.

This organization also entered the spring contest, giving an admirable performance.

FIRST ROW: Linda Swann, Joanne Burkhardt, Doris Kaufman, Lestina Brown, Karin Turner.

GIRLS' GLEE CLUB

This group, the largest musical organization in the school, is well received everywhere it performs. The choir consists of ninety-four girls from grades ten through twelve. They can be heard practicing fourth period every Monday, Wednesday and Friday in Room 107.

Besides performing for school assemblies, they participated in the spring and Christmas concerts. This year they had the privilege of singing for the Ohio Association of Music Educators.

They entered the spring contest, receiving a rating of which they are very proud.

FRESHMAN GIRLS' GLEE CLUB

This year, thirty-eight freshman girls again formed their own glee club. They practiced three days a week with Mr. Lotze.

This organization is of vital interest because it provides excellent experience to girls who will, in future years, form the nucleus of the choral groups.

These girls participated in various school functions during the year.

This year forty-eight boys volunteered for duty in the Boys' Glee Club, a considerably larger number than in several previous years. This group performed at assemblies and at the Christmas and spring concerts, and gave a commendable performance at the contest this spring.

MIXED CHORUS

FIRST ROW: Audrey Mellen, Marjorie Shenk, Jackie Sammeter, Nancee Gardner, Carol Monziona, Carole Lenz, June Harpold, John Weikel, Dick Foltz, Dick Zimmerman, Larry Swogger, Carol Riehl, Carlyn Ebbe, Sue Spence, Charlotte Haak, Becky Kintz. "Amazed and delighted" were the words with which North Cantonians greeted the group's first performance this year for the P. T. A. Under the very capable direction of Mr. Lotze, the group has reached and maintained a high standard of performance. The chorus consists of seventy members from grades ten through twelve. Besides entertaining the P. T. A., the group also performed for the North Canton Music Association, the Hi-Y induction and dedication service, and participated in the Christmas and spring concerts. They entered the spring contest, giving an outstanding performance. An unexpected honor for the group was the invitation to sing before the Ohio Association of Music Educators.

TRIPLE TRIO

Composed of nine girls, this group, although only a year old, has already created quite a reputation for itself. Chosen for their outstanding musical ability, these girls often steal the show at musical performances, and are in constant demand. They practice every Wednesday noon in the music room.

MAJORETTES

These talented twirlers are a colorful and vivacious addition to our Marching Band. Quite often they stole the entire show with their snappy routines.

Leading the band through their paces this year was Doris Kaufman, head majorette. The other majorettes were Jane Hushour, Bonnie Speicher, Valette Maruna, Elinor Acheson, Charlotte Haak, and Nancy Haren.

SENIOR TRI-HI-Y

This club, composed of Junior and Senior girls, was very active this year and engaged in many activities. Highlighting the year was a Thanksgiving Dance and Holiday Style Show. Many other events occurred during the year, and as a result everyone had a wonderful time! Advisers of the club were Betty Adams and Louise Schreckengost.

JUNIOR TRI-HI-Y

This club of Freshman and Sophomore girls can well be proud of the many activities which they undertook. Included among these were a panel discussion on dating, a pot luck dinner, and the formation of a bowling league. They also sent representatives to the annual Hi-Y and Tri-Hi-Y area conference at Mt. Union. Advisers of the club were Valerie Tucker, Mary Lou Schwalm and Lois Johnson.

PREP FRIENDSHIP

This group of seventh and eighth graders was a very helpful club this year. Besides engaging in such activities as charades, a gym night, Christmas party, and dances, they sorted and washed all lost and found clothes at the Community Building and sent them into the Lutheran Clothing Drive. Also, Prep decorated the Community Building at Christmas. This club has set an excellent precedent for future clubs. Advisers of the club were Shirley Teis and Rita Schuster.

There is a Hi-Y Club for all boys from seventh graders to twelfth graders. These boys have excellent guidance and leadership from Gene Koelker, Ralph Beuck, Ed Turner and Tom Mollet. In concluding the year, all clubs fared well and had successful meetings.

All of these clubs meet at the Community Building. They have their own officers and are very active. This year all the clubs helped in sponsoring the "Snowball." These clubs also worked to raise money for the "World Service Fund." This was very well contributed to by all clubs.

FOOTBALL

A glance at the resulting scores of the 1953 football season is indeed rather unimpressive. There is, however, much more behind these records than meets the eye.

This Viking squad was composed almost entirely of inexperienced ball players. Many of the regular positions were filled by boys playing their first season on the varsity. The team played with an outstanding spirit and will to win throughout one of the roughest seasons in the history of the school. North Canton is proud of these boys, for they have already achieved what many teams will never know. They have learned how to lose and still keep right on fighting. They have mastered the attitude of champions, and with continued improvement in their playing ability, it will be only a few short years before the Vikings will also have attained the victories of champions.

CAPTAIN BUD METZGER CROWNS JOYCE HAINES

HOMECOMING

On the night of the North Canton - Jackson football game, five No-Ca-Hi girls lived a night they will long remember. This was our Homecoming game and these girls had been selected to reign as the queen and her court.

Nancy Bowers, Freshman attendant; Kay Tschantz, Sophomore attendant; Elaine Zeiger, Junior attendant; and Carol Miller, Senior attendant, were escorted to the 50-yard line, where each was presented with the traditional corsage. Then, as the band played *Sweetheart of Sigma Chi*, our own Senior sweetheart, Joyce Haines, was crowned Football Queen of 1953-54.

CHEERLEADERS

The cheerleaders are an important part of our high school sports program. Here are the girls who must keep that crowd alive.

This year the cheerleaders, as well as their team, were inexperienced; but by hard work and a lot of grit they overcame all the obstacles of a tough season. Many were the times when, with their vim and vigor, they pulled the Viking rooters out of the doldrums and kept them yelling.

Hooray for the cheerleaders! Your school is proud of you.

BOOSTER CLUB

The No-Ca-Hi Booster Club has just completed its first year of existence. This is the newest organization to be formed in our school.

The Booster Club was originated by members of the Senior Class, who realized the school spirit was heading for an all-time low, and who realized something had to be done in a hurry. This club was made up of over 300 students, ranging from grades 7 through 12. Every member was unusually eager and active in boosting the school spirit.

FRESHMAN CLASS HISTORY

Contact! All clear! Away we go!

Yes, as future pilots of No-Ca-Hi, we hope we've made the right contacts, have cleared all obstacles, and are well on the second lap of our airplane journey. The academic groundwork included such things as the sciences, mathematics, Latin and English, while the social groundwork acquainted us with Hi-Y and Tri-Hi-Y, freshman-sophomore parties, and formal dances. Many of the members of our class received added training in athletics, speech, music, and dramatics.

With this groundwork, we feel we may soon become co-pilots and help steer the Ship of Education to a smooth three-point landing.

SOPHOMORE CLASS HISTORY

The seventh of September found us an anxious group of 103 Sophomores waiting for the new year to begin.

Often during the first few days, we were found in various places where we did not belong, but after regular classes and rooms were assigned, we settled down and once more a long school year stretched before us.

The year started with the election of our capable class officers, who were to endure much.

The new subjects were more difficult, but after realizing that more and better work was required of us, we resolved to do our best.

For most of us, with the many parties and school doings, it was a glorious year. Many of our boys proved valuable to the football and basketball teams, and others of us entered into such activities as glee club, band, orchestra, debate, cheerleading, Hi-Y groups, and scholarship.

We thank our class advisors for their help in making this year so successful and our only hope is that the ensuing two years will be as memorable as the one we have just completed.

JUNIOR CLASS HISTORY

Birth—1937.

Death—Some time in the twenty-first century.

Outstanding Qualities—Talent on the gridiron, basketball fervor, exceptional talent in music, debate, scholarship, and art.

Economic Condition—As most Junior classes, we encountered the problem of raising sufficient funds for the Prom. We solved this rather easily with our sale of Christmas candy and the promotion of the sale of cards and stationery.

Accomplishments—A brilliantly successful Prom at the St. Francis Hotel with Bill Yates' orchestra, and a great stage triumph with our play, "Curtain Going Up."

Class Likes—

1. Any plans for a new school.
2. Ice cream bar machines in the hall.
3. The opposite sex.
4. No semester exams (if such a thing were possible).
5. An open Prom.

Class Dislikes—

1. The slushy sidewalks between the high school and grade school.
2. People who put their possessions in your already overcrowded locker.
3. The lack of spirit at games and pep rallies.
4. Room 101 as a study hall.

CLASS HISTORY

For most people, 1936 was just another year, nothing spectacular, but to the Class of '54 it was the beginning!

From then on we developed in mind and stature until that all-important day in September, 1942, when we entered into the first grade. There was so much to learn that it seemed almost impossible for such small minds to be able to grasp it, but as it had been done before, it was done once again.

Slowly we climbed the first eight steps toward our goal. We had reached another milestone, and in September, 1950, filled with wonder and excitement, we entered high school as Freshmen.

Throughout our high school life, our class gave of its talents in scholarship, debate, athletics, dramatics, and music.

We have tried to make this one of the best classes ever to leave No-Ca-Hi. Now, having reached the top step of our ladder, we are ready to step out into the world. Many will further their education in colleges and universities, while others will seek some other path to make a living. We hope someday to see each one a great success in whatever field he has chosen. But, regardless of the choice, we will all do well to remember that our future lies before us like a field of drifted snow, and we must watch how we tread it, for every step will show.

SENIOR CLASS PLAY

Melody Jones was an average American girl—the kind of girl who had a knack for attracting friends, both young and old, and who had her share of typical teen-age problems. All the happiness present in an ordinary family went out of the Jones home when, at a surprise party for Mel, her jealous cousin, Elaine, in a fit of jealous rage, told Melody that she was adopted. The play revolved about Melody Jones, her family and friends, and how they all overcame a very large problem.

Highlighting the play was the party scene where Mel's friends bobbed up and down from behind furniture, shouting "Surprise" and singing "Happy Birthday." Humor was often found in the lines of Leon and Stretch, while Jennifer's painful attempts to snare the town drip and his orchid corsage for the prom added to the fun. The play progressed through laughter and tears in a manner satisfying to performers and audience alike.

The Journalism Class this year consisted of eight girls and one boy. With such a small class, it means a lot of extra work to put out a paper. Due mainly to the high cost of printing, the *Viking Views* appeared only four times this year. Christmas marked the first issue; Valentine's Day, the second; Easter, the third; and Graduation, the fourth.

Two staffs were in charge of compiling the paper. The first *Viking Views* staff was elected shortly before Christmas. After the second issue of the paper was completed, a different one was chosen for the final two issues. These staffs are listed above.

Top: This is the second period government class. We do look studious, don't we? Oh, well, seniors will be seniors: Lower Left: The big night for Juniors and Seniors—The Prom. This was snapped right after the crowning of the queen. Upper Center: The Junior girls living it up again! Glamour girl pose of No-Ca-Hi's Judy Burns. No, Joan wasn't sleepwalking! Just in costume for the Senior skit. Lower Center: Ditto for Linda and Nancee. They don't always dress that way; it's that Senior skit again! Lower Right: "Hey, Coach, I'm in training!"

Why did they come to America?

The pilgrim fathers took quite a
chance when they set sail for the
new world. They were willing to
risk their lives and suffer untold
hardships for the chance to become free
people...to worship, to write, to speak
and to assemble as they saw fit.

These freedoms which the pilgrims
sought are ours today. Guard them
well and use them wisely.

Which is stronger?

IT'S the one on the right because it's a door of an American home. No one can get through without permission. Not even a policeman, unless he has a search warrant.

Here, in America, your right to freedom from search without warrant is guaranteed by The Constitution itself.

How different behind the iron curtain! There, the people have no such protection. And even a solid oak door, strong enough to guard a fortress, can't keep out the secret police. When they want in they get in, eventually, even if they have to use a battering ram. But the flimsiest screen door in America can keep out the police unless they have a search warrant.

Because we Americans take our rights for granted, it's hard to believe that there are "pinkos" and fellow-travelers amongst us who want to take away our freedom from search without warrant. It's just part of their plan to steal all our rights, like the right to own property, the right to work wherever we please, the right to vote secretly and all the rest.

The best way to protect a right is to use it. So if you ever hear anyone come out in favor of permitting arbitrary search and seizure on some pretext or other, set him straight! Remind him that freedom from search without warrant is a right guaranteed every American by The Constitution.

Remember, they're *your* rights, so treat them *right*!

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship
- Right to secret ballot
- *Right to know how your union spends your dues
- Freedom of speech
- Freedom of the press
- Right to criticize officials
- *Right to know salaries of your union officers
- Freedom from search without warrant
- Right to petition government for redress of grievances
- *Right to know if your union officers are Communists
- *Right to know how your union is run
- Right to speedy and public trial by jury
- Right to help of a lawyer
- *Right to hear your employer's side of disagreements
- Right not to appear as a witness against yourself
- *Right to refuse to permit the "check-off" of union dues
- *Right to go direct to your boss with a grievance
- Right to be presumed innocent until proved guilty
- Freedom to own property
- *Right to work despite union jurisdictional disputes
- Freedom to work in any locality
- *Right to proper supervision of your union welfare funds
- Freedom to start and manage a business
- Freedom to make a profit
- *Right not to be fired by union leaders
- **Right to vote on company's best offer

*These are rights you enjoy under the Taft-Hartley law.
**This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

**THEY'RE YOUR RIGHTS,
TREAT THEM RIGHT!**
